OGDEN SOCIALISTS NAME CITY TICKET

Platform Demands that City Work be Done at Union Wages.

OGDEN, Oct. 9.—The Socialist party of Ogden met in convention last night and named the following city ticket:

Mayor—Charles Tibbe.
Recorder—John J. McGregor.
Auditor—Joseph MacLachlan.
City Council—First ward, Edward Hansen; Second ward, C. D. Dora; Third ward, Charles Neis; Fourth ward, William Martin; Fifth ward, William Drysdale.

The platform of the party affirms allegiance to the principles of the International Socialism, and with the state and county platforms. In addition to the regular platform adopted, two clauses were inserted, as follows: "We demand that all city work be done at union wages and that when convict labor conflicts with free labor, the former shall be abolished," and, "We demand the initiative and referendum, proportional representation and the right of recall."

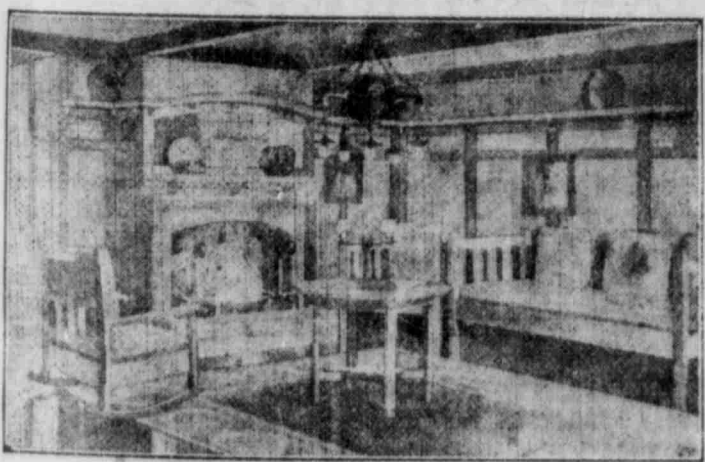

IMPERSONATED U. S. OFFICERS

OGDEN, Oct. 9.—The preliminary hearing of George and Henry Boyd, who were held yesterday before Commissioner Patton in the council chamber of the city hall, The United States officers in attendance upon the case were Atty. Hyrum E. Booth and Deputy Marshal Lucian Smythe. The boys were arrested on the charge of impersonating United States officers in September and have since been confined in the penitentiary. It appears that they knew a certain local barber, A. J. Knapp, was a deserter from the army and they went to him, representing themselves to be secret service men and told him they would have to place him under arrest, but that if he would pay them \$15 they would say nothing of the matter. This he refused to do. In the meantime the police learned that Knapp was a deserter and arrested him. Knapp then told the officers of the "service" the boys had tried to turn on him and their arrest followed. Commissioner Patton bound them over to await the action of the federal court and they will probably be given a hearing about the latter part of November.

MURDEROUS ATTACK ON CHAS. RODY IN THE DARK

OGDEN, Oct. 9.—Charles Rody, while walking along the railroad tracks toward his home in the Glasgow addition on Thursday night, was attacked by an unknown party who shot at him with a revolver, the bullet passing through his coat, barely missing his body. Rody pulled his own revolver and fired two shots at the fleeing stranger, but his shots were wild and missed their mark in the darkness. Two officers went to the scene of the shooting, but were unable to learn any more of the would-be assassin.

WEBER ACADEMY NOTES.

OGDEN, Oct. 9.—The student body of the Weber academy is fully organized with Alma Winters, president; Lilla Eccles, vice president; Wm. Critchlow, secretary and treasurer. At the first meeting Principal McKendrick explained to the students the self government scheme and then the classes separated for class business. Already the students are feeling the responsibility of carrying themselves on their own honor in the presence or absence of their instructors. Thus the students are taught to live above the law and those who have not the strength of character to do this are held accountable to the student body.

Every day the attendance increases. Never before has the assembly hall at this time of the year been so well filled. The enrollment in the zoology class is large as large as it was last year. This course is much more popular than it has ever been before.

The domestic science department will entertain at luncheon, dinners, and will fill orders for anything the most delicate palate can imagine. The pies and cakes are delicious. In this department there are 110 students enrolled. All kinds of sewing is being done from the first models to tailored suits.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to worldwide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.
